It happened back in 65, felt I was barely alive but you really had some drive

em am G em am G em
I never ever wanted to go, into a combat zone.....always wanted to survive this life

(elect. Guitar solo-) em am G em am G em

em am G em am Em
I was always on the outside, looking hard to satisfy now I'm on the inside, and could die

em am G em Am G Em
I told you I'd never let go, but they said you gotta go this ain't divine no, no, no

It was all about going to Nam, way back in 65, but now you're all so much mine, true test of time

em am G em am G em
All the footage from a combat zone all exhausted so many were stoned, barely a chance to survive

em am G em am G em
Now it's all history, I was never was no prodigy but I've got you by my side like I was hypnotized
