am G c g upbeat starts
I realize the poisons and litter in the sea

am G C am
The old Chesapeake bay worries me to death

am G am G C G
What's wrong with the general population, when they dump so much poison in my sea

am G am G C G
The gulf of mexico received so much oil that could not be retrieved

am G (G strum to each item) C am
I feel so bad for the starfish, the oysters, the clams, the crabs, fish, the sharks in the sea

am G am G C G
How could we do this to our own body of water

F G F G C
Did I tell you, you're such a good mother, for telling me how the salty sea used to be
