Slept last night in the cold weather

G am C bm G am C bm

Everybody rolled west on this here Oregon Trail

G am C bm G am C bm

The insects rattle snakes and wolves all bite

G am C bm G am C bm

It's so lonely when you're alone (pause) on this wagon train

G am C bm G am C bm G am C bm

Night time, cold weather gonna sleep forever in the high starry desert

G am C bm G Am C bm

Slept near rabbit holes and (pause) this rocky trail

G am C bm

G am C bm am C bm

when you go alone.....winds a blowing & the Gold Rush(pause) makes your mind ache

G am C bm X2

G am C bm G am C bm

scorched earth and A-daptive plantae on the way

G am C bm

Ain't no sense to all the twists and turns..... you take
