When I look up at steep rock walls, I never think of going down

C G
Scaling the sides, like an insect a crawlin'

C G am D-4
bottled water on my side

Sundown, no burns, with a glide into my patient side

am G am G am
in tune with nature's grip unrattled but why

am G am G
Clenching crevices and with flat faces

am G am em am
all formations I'm on the rise

am G am C G
One on one is my drive intact not gonna slide
