Moonlight On Wings   Capo 4   **Moonlight on Wings**

```
G                em          C              G   f/g eo  C
G                em          C              G   f/g eo  C
```

```
G                    em          C              G   F/G eo  C
```
Hello Sage it's been a long time for me, I just wanted to set you free

```
G                em               C                      G F/G eo C   D
```
Did you know when I crossed paths with you, that this was what I wanted to do

```
D        C          G          C              G   f/g  eo  c
```
There were hard times, a tough row, there were good times to bring up the low-w-w-w

```
g                    em        C                        G  f/g  eo  c
```
Well I took you as stoic and wise as I should, but I know you know the picture of me is no good

```
G                em       C                  G   f/g      eo  C D
```
I dug myself in deep on this far out hillside then met up with you for some plain old good times

```
D        C          G          C              G  f/g  eo  C
```
There were hard times, a tough row, there were good times to bring up the low-w-w-w-

```
G                   em               C              G  f/g  eo  C
```
Hello Sage you know the storms of life will be, but near the seas we will always be

```
G                     em          C                  G   f/g eo  C D
```
Moonlight on your wings in the middle of the night, is something I will cherish my whole life

```
D        C          G          C              G   f/g  eo  C
```
There were hard times, a tough row, there were good times to bring up the low-w-w-w-

```
G        em                C                  G f/g  eo   C
```
Hello Sage, moonlight on wings will be, the only thing in life is to be set free

```
G        em          C                          G   f/g   eo  C
```
Fresh air…. in the 16th Century…… a world that many others may never see

```
