I don't know what they're gonna say when you're riding real high in your high horse ways

em G am G  
Thought you'd just sit around my beach house or your ivory tower

em G C G  
Next time you come to town you'll be riding in a banged up station wagon

em G am G  
I thought you'd be there for me but you took the most hey don't it seem

F em am G  
Not gonna do love the same gonna twist it up change the name

F em am G  
On the beach where the surf is magic or way out yonder in a small log cabin

em G C G  
Daybreak I never let ya down you hardly let me come around

em G am G  
Surfing town I won't roam around I'll settle down be just fine

em G C G  
Nighttime I think of days gone by I toss and turn and don't know why

em G am G  
Blue sky day I had a dark vibe they pinned me down took me aside

F em am G  
Not gonna do love the same gonna twist it up change the name

F em am G  
On the beach where the surf is magic or way out yonder in a small log cabin
