

Spirit Rainbow

1/5/19 lyrics

2018 SALT WATER MAGIC

G D D/C D/F G D D/C D/F  
I was running through a scene of a spirit rainbow in my dreams

G D D/C D/F G D D/C D/F  
Your tanned body squeezed closely to mine spent all day in the sun with you on my mind

The spirit rainbow pulled me right on in out of my seat a post-rain type of gig

C G am em C G am em  
And my thoughts of you inspire And my memories of you so much brighter

C G am em C G am em  
But why did my coastline expire can't find a spot for a small beach fire

A small beach fire a small beach fire

G D D/C D/F G D D/C D/F  
If my hands were the magician I'd stop all the boaters from all the fishing

G D D/C D/F G D D/C D/F  
I'd shut down cargo ships of oil I'd clean up floating plastic spoils

Oh will there come a day when sharks and whales and fish still play

C G am em C G am em  
And my thoughts of you inspire And my memories of you so much brighter

C G am em C G am em  
But why did my coastline expire can't find a spot for a small beach fire

A small beach fire a small beach fire
